

*Help sow the financial seeds today...  
To reap the harvest of tomorrow.*

Become a **Founding Supporter** of the  
**Wisconsin Agricultural Education Center**  
to be located in the **Lakeshore Area**

*Agriculture is vital to Wisconsin's economy by being a consistent and reliable job source in addition to being an invaluable food source for humans and animals alike. However, today's consumer is further removed than ever before from the connection to the land and the food it provides. The aim of the Agriculture Education Center is to provide an opportunity for the consumer to learn about the value of Wisconsin's agriculture and the life blood that the land provides.*

**Your contribution will MAKE A DIFFERENCE!**  
**Your seed money will be used to help with funding a feasibility study and project start-up costs.**
