

100% Cargo Security Screening Are you Compliant?

Details

Join us as Donna Goetz shares with us the Ins and Outs of the new 100% Cargo Security Screening. If you didn't realize it, it became effective early Au-

gust and it applies to airfreights *originating* in the US. This seminar will answer:

- What is the 100% Cargo Security Screening?
- How does this effect my business?
- How can I avoid delays?
- What are some best practices?

Donna Goetz' expertise is in the area of Cargo Inspections with the Transportation Security Administration. In this capacity, she deals with shippers, ground transportation, and airlines on a daily basis informing regulated parties of the intricacies of the various programs and enforcing the Federal Regulations.

After college, Donna began her professional career in law enforcement; spending 8 years as an undercover narcotics agent in Peoria and Chicago, IL. She went on to become a criminal investigator for the Illinois Attorney General. She entered the private sector as the Midwest Regional Manager for Covert Operations for an international private investigations agency.
