

Simplified Network Application Process Redesign (SNAP-R)

Join us as **Joan Koenig** of Drinker, Biddle & Reath LLP shares the power of SNAP-R. SNAP-R is a tool for exporters established by the U.S. Bureau of Industry & Security.

SNAP-R gives you the ability to:

- Submit export and re-export applications, and commodity classification requests via the Internet in a secure environment.
- Receive same day acknowledgment of your submission.
- Obtain online validations (e.g. electronic facsimile of export license) from BIS.

Joan Koenig is counsel in the Corporate & Securities Practice Group on the Customs and Trade and International teams. Joan possesses substantial experience in international trade regulations, particularly those relating to U.S. export controls (ITAR, EAR, FACR, FTSR) and customs regulations.

She received her J.D. degree from Northwestern University School of Law in 1994 and her bachelor's degree, magna cum laude, from Ripon College in 1986.
